GRIST LOOKING TO CLOSE OUT SEASON WITH WINS

"With another tough outing in the books, Garrett is focused on taking his speed from Mid-Ohio into Laguna Seca and continuing his streak of poles."

Indianapolis, IN - Garrett Grist, driver of the #5 Lander Property Management, Juncos Racing entry was again the fastest car on track, but for a second weekend in a row, was caught out and not able to gain much needed points to stay in the championship fight. This time it was Mid-Ohio Sports Car Course where Garrett was fastest in every session and earned pole for both races. In race one, the race director made the strangest call in motorsports history as the off pole driver jumped and was not put to the back of the field. Instead the offending driver was asked to give back one spot and in the process drove Garrett off track. GG would cross the finish

line in fourth. In race two, Garrett was deemed to have jumped the start and was put to the back. Garrett was able to drive his way up to seventh place on a difficult track and never made contact with another driver. In the final tally Garrett will enter the final weekend in sixth place in the championship.

"Laguna Seca should be a good weekend for us," comments Grist. "We have four pole positions in a row and are looking to make it six in a row. Laguna Seca is one of the nicest tracks in the States and one of the most fun to drive. We want to end the season on a high after what was done to us at Mid-Ohio. We have been the car to beat the last three race weekends and I don't see why we won't be again this weekend. The boys at Juncos Racing have been working hard to give me the best car possible."

For Garrett and the #5 Lander Property Management entry, the 2015 Pro Mazda Championship Presented by Cooper Tires field hit the 2.24 mile, 11 turn road course featuring the famous corkscrew turn on Thursday for two Promoter test sessions. Friday delivers two practice sessions with qualifying and Race One held on Saturday. Sunday will host the second feature race of the double-header weekend of racing.
